Join us for free, fun-filled mornings on the Hollyhock House lawn! Presented by the City of Los Angeles Department of Cultural Affairs and Bob Baker Marionette Theater, the 30-minute puppet shows are accompanied by art activities for the whole family.

A fitting stage for puppet shows, Hollyhock House was commissioned by Aline Barnsdall, a children's theater producer who gifted Barnsdall Art Park to the City of Los Angeles in 1927.

Bring a blanket, sing along, and make art with us!

All activities will take place outside on the Hollyhock House west lawn. Sorry, no pets permitted. Interior spaces will be closed for this morning event.
